**Tuesday, June 20<sup>th</sup> and 27<sup>th</sup> 7pm-9.45pm,  
Cranbrook Centre**

## **RML SHOWCASE / OPEN MIC**

- Enjoy or participate in a short musical evening in Valentine's Park. Come along and watch or put yourself down to perform. Its pretty much like an Open Mic format.
- For performers, it's an opportunity to try new songs, new group formats and arrangements in front of a supportive audience. It's kind of one step down from a public gig and more like a cosy music club, that's the aim anyway.
- Free tea and coffee **and you can bring your own refreshments.**
- So get in touch in advance and and put yourself down or just turn up on the night. Solos, duos and trios welcome, we have a multichannel PA but setup must be simple and quick.
- Cost £2 per performer/audience to go towards hire of the venue.
- Directions: The Cranbrook Centre is the old bowling pavilion you can see from the **Melbourne Road** entrance to Valentines Park (behind bushes on the left). You can park in neighbouring streets if you are lucky or pay and display on the road loop just inside the park. Note that the car park will close at 9.30pm when the park closes.
